

Arena Driving Trial March 20, 2010

Windrush Farm

Frank and Barb-Chapman Andrews hosted the ADT for the MCDA members followed by the Potluck dinner. The ADT was very successful this year (the weather helped). Contestants walked the cone course, went over their dressage patterns, and analyzed the best way to navigate the hazards (obstacles). For a friendly competition, many looked very serious about the courses. Brian Robertson was the judge and kept everything moving along and I didn't hear anyone disagreeing with his judging. I did notice Tricia Cecile was enjoying her drive a bit too much. She may have to cut down on waving to the crowd. Due to the fact, she missed a cone or two. (But she had a great time)

The members that participated were: Melissa Boyd, Tricia Cecile, Barb Chapman, Nick Chizmadia, Darlene Daly, Jim Doescher, Janet Enyart, Kim Slagter-Hart, Joyce Miller, Linda Poland, Royla Westphal and Mari Yoncho

The Potluck was wonderful as usual. Seeing members that we haven't seen in a while and all the good food made for a very nice night.
